Section 2 Plots without a Suffix

Numerous plots in this section are considered too small to be viable.

Plots 1-60 include :

- Plots 1 - 56 along the Orchard Street fenceline
- Plots 57 - 60 at the corner of Orchard Street and Rosebank Road.

Plots 1-60 are listed on Record Book pages 28 to 36

Plot 61 is the first viable plot in this section of data, halfway down Page 36

Other sub-sized plots are scattered through the cemetery.

Plots are identified by the phrase 'Not enough room'.

Several other plots in this section have been found to already contain caskets, dating from the cemetery's earliest days, for which records are not available.

Known plots containing old caskets are identified in the following list, as not reusable.
